Terms of Use

- If you download a DEMO or FREE version, you can use it for personal and commercial projects. Attribution is unnecessary, but we are happy if you want to tag us on social media or give attribution.
- If you purchase the mockup on LITE or in the FULL package, thank you so much for supporting us. We are also happy, and hopefully, the mockup can be appropriate and make your design more exclusive while presenting on social media, websites, and more.
- You cannot redistribute, resell, or share the products on any platform without permission.
